Amit Shah offers prayers at Chamundi Hill temple

Mysuru, Apr. 24 (MTY&DM)- Union Home and Co-operation Minister Amit Shah arrived at the Mysore Airport at Mandakalli this morning at around 10.50 am via a private helicopter to participate in the BJP poll campaign in Chamarajanagar's Gundlupet, located at the southern tip of the State.

It may be recalled here that Amit Shah visited Mysuru twice during the run-up to the 2018 Assembly polls. On his previous visits, he stayed at Hotel Radisson Blu Plaza after arriving on Mar. 29, 2018. This is Shah's first visit to the city this year.

After arriving at the Mysore Airport today, Shah, who has hit the BJP campaign trail in poll-bound Karnataka, left for Chamundi Hill by road. He reached the Hill temple around 11.30 am, where he was received by the Temple Chief Priest Shashishekar Dixit and Temple Administrative Officer Govindaraju.

Accompanied by MP Pratap Simha, MLA S.A. Ramdas, and city BJP leader Jogi Manju, Shah offered special prayers to the deity under the guidance of the Temple Chief Priest Dr. Shashishekar Dixit and sought the blessings of the deity. He was in the temple for over 15 minutes.

Elaborate security arrangements were made atop the Hill, and the Hill temple was closed for devotees for over 30 minutes. Traffic leading to the Hill temple was also halted for over one hour as a security measure for the Union Home Minister's visit.

After visiting Chamundeshwari temple, Shah returned to the Mysore Airport and travelled to Gundlupet by the private helicopter, where he will address a BJP poll rally and seek votes for the party candidate C.S. Niranjankumar.

EDITOR'S BOTTOMLINE

We all think that fear is awful and painful, yet the Buddhists don't include fear in the long list of mental afflictions contained in the Abhidharma, the core teachings on Buddhist psychology. Being free of fear is certainly praised in the Buddhadharma. One of the three major types of giving is giving someone protection from fear. It's the essence of the abhaya, the no-fear mudra — the famous gesture of the Buddha where he holds up his hand, palm out. Indeed, when you become a Buddha, you become fearless.

Fear is protective; it's what helps us to avoid wandering into a hungry lion's den. It is also helpful in the Buddhist sense, in the form of fear of suffering, embodied in the first noble truth. The truth of suffering alerts us to the fact that we are not being aware of what we really are. We are deluded about suffering. We ought to be aware of our suffering. We should be afraid of suffering, in fact. Otherwise, why would we have any reason to do anything about it?

Starting out with the right kind of fear is the way to fearlessness. Fear will motivate us to try to understand the world and ourselves, and when we do, we will come to appreciate the second noble truth: that suffering is caused by a habit of constructing an absolute self. We go through life being absolute, as if no one else matters, but we can look at that habit and come to learn that it doesn't work. We can develop deep concentration, deep meditation about that and ultimately free ourselves from that gut feeling of being 'the real me', opposed to everything and everyone else. If we don't overcome this sense of self-absoluteness, we will descend into the lower realms of being. That is something it is reasonable to fear.

It is said that out of ignorance we fear what we should not fear, and we are not afraid of what we should be afraid of. Normally we fear connectedness, but it is in fact the disconnectedness that we ought to be afraid of. Starting out with the right kind of fear is the way to fearlessness.

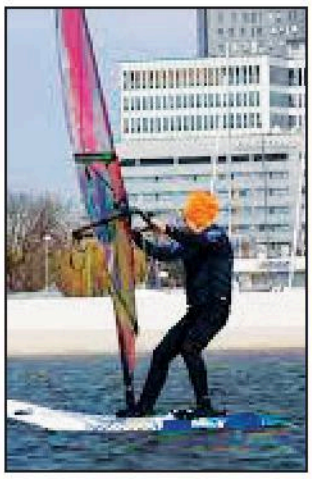
88-year-old windsurfer maybe world's oldest



Gdynia: An 88-year-old windsurfer in Poland is seeking Guinness World Record recognition as the oldest person to practice his favorite sport.

Piotr Dudek of Gdynia, said he has been windsurfing since 1981 and he was encouraged by his friends to attempt the Guinness World Record for oldest windsurfer after discovering the previous record was set by 86-year-old Charles Johannes Ruijter in 2000.

The mayor of Gdynia presented Dudek with a trophy and a bag of locally produced prizes to celebrate the accomplishment.

Dudek said evidence from his official attempt is now being submitted to Guinness World Records for official certification.

Cyclists create record-breaking GPS velociraptor

Paris: A team of French cyclists broke the world record for largest GPS drawing when they created an image of a velociraptor measuring 636 miles.

Florent Arnaud, Maxime Brugère, Franck Delorme, Nicolas Meunier and Jean Roule created the GPS image by riding for a total 43 hours and 47 minutes over the source of six days.

The cyclists, members of the Cyclos randonneurs Saint-Galmier bicycle group, passed through counties including Cher, Saône-et-Loire, Indre, Nievre, Creuse and Puy-de-Dome to create the dinosaur image.

The team said they chose a velociraptor for the image because it sounds like "vélo," the French word for bicycle.

COSMOS Mysuru celebrates Zero Shadow Day

Mysuru, Apr. 24- **The Cosmology Education and Research Training Centre (COSMOS), Mysuru** and the Indian Institute of Astrophysics (IIA), celebrated "Zero Shadow Day" on Apr. 22 at Shishu Loka, Kuvempunagar in association with Putani Parapancha Summer Camp.

N. Amoghavarsha, Project Associate of COSMOS, delivered a lecture on the science behind Zero Shadow Day. Later, hands-on experiments and demonstrations were shown to participants by Vikranth Pulamathi, Project Associate of SCOPE, IIA.

Students were asked to take readings of the length of shadow made by Gnomon ("Shan khu Yantra") for every five minutes to note down changes in shadow. Zero Shadow Phenomenon was observed at 12.22 pm which was demonstrated by a hollow cylinder kept on a glass plate.

R. Punith, K.B. Vishaak of IIA were also present during the programme which concluded with a question and answer session.

Zero Shadow Day (ZSD) occurs when the Sun is directly overhead (that is, at the zenith). At this moment, any object held vertically will not cast any shadow on the ground, since the Sun's rays fall straight down on it, rather than at an angle. On other days, the Sun is not exactly overhead at noon.

Only locations lying between the Tropic of Cancer and the Tropic of Capricorn will experience ZSD, which will occur twice a year; corresponding to the northern and southern movement. Since the Earth is tilted on its axis by about 23.5 degrees, as the Earth revolves around the Sun, the Sun can pass overhead only for locations whose latitude lies between 23.5° N and 23.5° S. Hence, different locations experience ZSD on different days. For details contact Mob: 63621- 59474.

Nursing profession needs a service mindset: Nursing Council President

Dr. T. Dileep Kumar inaugurates JSS Nursing College at Chamarajanagar

Mysuru, Apr. 24- Indian Nursing Council President Dr. T. Dileep Kumar said that though Nursing profession seems to be challenging in the beginning, one can find satisfaction in the profession if he/ she understands the service factor inherent in it.

He was speaking after inaugurating the JSS Nursing College at Chamarajanagar yesterday.

Observing that the Nursing profession demands discipline, dedication and determination, Dr. Dileep Kumar underlined the role of Nurses in health care.

Maintaining that Indian Nursing Education is in great demand everywhere, he said that Nursing also demands continuous learning. Noting that the Nursing College is a boon to the people of Chamarajanagar, he said that JSS institutions are known for discipline and service to the society.

RGUHS Vice-Chancellor Dr. M.K. Ramesh said that Mutts joined hands with the Government for eradicating poverty, illiteracy and such other social evils in the pre-independence days. Seers and Mutts have been rendering yeoman service to the society by establishing Educational Institutions, Hospitals, Hostels, etc., out of public charity, he asserted.

Suttur Mutt Seer Sri Shivarathri Deshikendra swamiji graced the occasion. Chamarajanagar University Vice-Chancellor Dr. M.R.Gangadhar, Chamarajanagar Additional DC Katyayinidevi, Chamarajanagar Institute of Medical Sciences Dean and Director Dr. P. Sanjeev, JSS Mahavidyapeetha Executive Secretary Dr. C.G. Betsurmath and others were present.

Country's administration is under the control of capitalists: SUCI

Mysuru, Apr. 24 (PM&DM)- Maintaining that the country is governed defacto by capitalists, SUCI (Socialist Unity Centre of India) Central Politburo Member K. Radhakrishna said that a revolution of sorts is needed for building a corruption and exploitation free India.

He was addressing the political session as part of the 76th Foundation Day of SUCI-Communist at Kunchitigara Bhavan on Dewan's Road here yesterday.

Emphasising on the need for equitable distribution of wealth among the people, Radhakrishna observed that the society has to undergo several fundamental changes for ensuring an equal society. Underlining the importance of rooting out capitalists from the country, he opined that the wealth of the country should be in the hands of the working class who are the real toilers.

Highlighting that the working class and exploited sections should understand the politics of our country, he argued that political power went into the hands of the capitalist class when the country got independence from the Britishers. Later on, political parties became the agents of the capitalist class, he contended.

Continuing, he said that of late political parties are speaking very much about religion. Stating that the ruling party is talking very much about Hindutva and Hindus, he alleged that the ruling class is practicing communalism and politics of hate. Accusing the BJP of dividing the society on the lines of religion, caste, community and creed, he maintained that the Centre was making attempts to disregard Darwin's Theory of Evolution and thus curtail the scientific mindset among children.

SUCI District Secretary B. Ravi, in his address, said that Comrade Shivadas Ghosh founded the SUCI 76 years ago in order to realise his dreams of giving the real independence to the people of the country.

Arguing that the SUCI is now engaged in organising movements on issues that were dear to the party Founder Shivadas Ghosh, he said that the farmer, labour and other working class should understand the activities of SUCI and join hands in taking forward the Communist party which is working for the welfare of working and oppressed classes.

SUCI Office-bearers M. Umadevi, P.S. Sandhya, G.S. Seema, Chandrashekar Meti, V. Yashodhar, Harish and Sunil, party workers Suma, Subhash, Basavaraju, Chandrakala, Neetu, Abhilasha, Pushpa and others were present.

I have brought Rs. 950 crore grants for Chamaraja Constituency: MLA

Nagendra

Mysuru, Apr. 24 (MK&DM)- Maintaining that he has brought Rs. 950 crore grants for Chamaraja Constituency, MLA L. Nagendra said that he has strived hard for developing the Constituency and he would do more if re-elected.

Addressing a press meet at the BJP office in Chamarajapuram here recently, Nagendra recalled his services in coming to the aid of the people during COVID pandemic, by distributing more than 50,000 food kits.

Listing out his achievements, Nagendra said that he has built six water tanks at a collective cost of Rs. 330 crore, set up drinking water units, provided Rs. 90 crore for upgradation of K.R. Hospital, construction of hostels and other blocks in MMC&RI, development of roads across the Constituency at a cost of Rs. 307 crore, among others.

Asserting that all lanes and bylanes of the crowded Kumbarakoppal has been asphalted, he said that Tilaknagar has been given a total facelift and 377 families of Manjunathanagar have been distributed Title Deeds. Even temples have been renovated at a cost of Rs. 6 crore, he added.

Continuing, Nagendra said that Chamaraja Constituency was the first to have a woman exclusive pink toilet, which is the first-of-its-kind in the State. Noting that he had taken pains to identify 23 acres of land for construction of 3,000 Ashraya Houses, the MLA said unfortunately, some went to the Court and succeeded in bringing a stay to the project.

Asserting that installation of LED streetlights across the city happened because of his efforts, he said that he also strived for the completion of construction works of Dr. B.R. Ambedkar Bhavan that is coming up in the heart of the city.

Highlighting his future plans for Chamaraja Constituency, Nagendra said that he will strive for making the Constituency a model one if re-elected.

Dismissing allegations of poor quality of road works, the MLA said, the re-asphalting works of D. Devaraj Urs Road was taken up after complaints of sub-standard quality. Anyone can inspect the quality of the road now, he added.

KEA Chairman Mirle Srinivas Gowda, BJP District Spokesman Dr. K. Vasanth Kumar and leader Nagesh were present at the press meet.

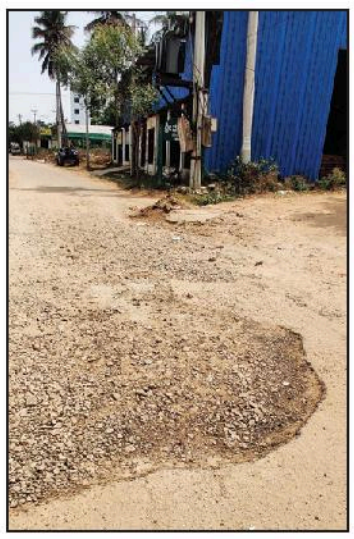
Service road near Bogadi
Ring Road Circle needs repair

Sir,

A stretch of service road between Bogadi Outer Ring Road (ORR) signal junction and the entrance of Bank Employees Colony is in a very bad state and calls for immediate laying of new road.

It has dangerous potholes and is extremely difficult to pass through this stretch. It is even more difficult when it rains *(see photo)*.



Many have already expressed concern by writing in this column, but there is no response from the authorities concerned and is totally ignored.

The commuters from Bank Employees Colony, Railway Layout, Roopanagar etc., use this road.

Hence, we request the authorities concerned to immediately respond and repair this road on top priority.

Outdated speed limits on ORR!

Sir,

This is to bring to the notice of the authorities concerned that the speed limits throughout the 42- km **Outer Ring Road (ORR)** is outdated.

We find speed limits as low as 30 and 40 kmph at many points which being a cyclist, even I find it difficult to maintain!! So just imagine the plight of motor cycles and cars.

Also, the more troubling issue is that the Traffic Police fining the vehicles for over-speeding with this kind of outdated speed limits! So this looks to be like Police fleecing the citizens for mistakes they didn't actually commit!

Through *SOM,* I would like to request the authorities to review and revise the speed limits at the earliest.

Four-Day Dry Day

From 6 pm on May 8 till midnight on May 10 (day of voting); from midnight on May 12 to midnight on May 13 (counting day)

Picture for representation only.

Mysuru, Apr. 24 (KS)- The District Administration has released the schedule of dry days for the upcoming Assembly polls scheduled for May 10, with the counting of votes to take place on May 13. The purpose of the dry days is to ensure a peaceful, free and fair election.

The dry days will be enforced from 6 pm on May 8 until 12 midnight on May 10 (the day of voting) and from midnight on May 12 to midnight on May 13 (the day of vote counting).

During this period, all liquor and wine shops, bars, restaurants, clubs, and other license holders selling liquor in the district will remain closed, and there will be no sale, distribution or stocking of liquor.

The Deputy Commissioner and District Electoral Officer, Dr. K.V. Rajendra, has utilised Section 135C of the 1951 Act to declare dry days and has directed the Excise Deputy Commissioner of Mysuru City and Rural to seal all liquor and wine shops, bars, restaurants, clubs, and other licensed premises selling alcohol in the district. The keys are to be handed over to the Executive Magistrate, according to a press release.

To ensure the smooth conduct of polls and maintain law and order, the Deputy Commissioner has also imposed Section 144 of the Code of Criminal Procedure (CrPC) from 6 pm on May 8 until the conclusion of voting on May 10. This section restricts the assembly of more than five people in an area and is typically implemented to prevent a breach of peace.

As part of the measures to ensure peaceful and fair elections, the DC has imposed a ban on aking out processions or holding meetings, and carrying weapons such as swords, knives, sticks, mace, guns, explosives, and any other objects that could pose a threat to human lives from 6 pm on May 8 to the conclusion of voting on May 10.

Police officials have been authorized to seize any weapons that are found to be carried during this period, and legal actions will be taken against the individuals found carrying weapons.

Additionally, campaigning within a radius of 100 metres from the polling booths has been prohibited, and photocopy shops, book stalls, and cyber cafes located within the vicinity of polling booths have been instructed to remain closed during the election period. These measures have been put in place to maintain the sanctity of the election process and ensure the safety and security of the citizens.

The transportation and storage of explosives in quarries are prohibited during the election period, as well as the carrying of stones or any throwable items or equipment, and the display and burning of effigies. Shouting of slogans, singing, playing of musical instruments, and any other activities that could disrupt public decency near the polling booths are also banned.

Provocative songs, shouting, pictures, photos, symbols, signs, and replicas of character assassination are also not allowed as they could disturb peace and law and order. However, last rites, weddings, and religious processions are exempt from this ban as long as they comply with the model code of conduct and do not disturb the law and order situation.

Carrying mobile phones, cordless phones, and other electronic items within 100 meters of polling booths is prohibited, except for officials and staff who have received prior permission from the District Electoral Officer. Additionally, pasting campaign posters and banners within 100 meters of polling booths are not allowed. Any violations of the above orders will be met with stringent legal action.

Priyanka

Mysuru, Apr.24- Top Congress leader and AICC General Secretary Priyanka Gandhi Vadra will tour parts of Mysuru and Chamarajanagar on Apr. 25 (tomorrow) to campaign for party candidates.

Mysuru District Congress President Dr. B.J. Vijaykumar announced that Priyanka will fly from Bengaluru in a helicopter and land at T. Narasipur. She will address a public rally at Helavarahundi in the taluk at 12 noon, seeking support for Congress candidate Dr. H.C. Mahadevappa.

Later on, at 3 pm, Priyanka will take part in a women's convention at Gowrishankar Convention Hall in Hanur, Chamarajanagar district. During the convention, she will interact with tribal women and seek votes for Congress candidate R. Narendra from Hanur.

After the women's convention in Hanur, Priyanka will leave for K.R. Nagar in the Mysuru district, where she will take part in a road show at 5.30 pm. The roadshow will pass through Topamma Temple, Ambedkar Bust, and Municipality Office Circle. Congress party In-charge of Karnataka Randeep Singh Surjewala will accompany her in her poll campaign. She will leave K.R. Nagar for Mysuru at 6.45 pm.

After arriving in Mysuru from K.R. Nagar, Priyanka is expected to campaign for Chamaraja Congress candidate K. Harish Gowda at around 7 pm tomorrow and will stay overnight at Hotel Radisson Blu Plaza Hotel.

Traffic jam in city

(Continued from page 1)

Amit Shah is provided multi-layered Z Plus security and he is the second top politician in India to be provided with this scale of security after the Prime Minister. He was to arrive at the Mysore Airport at 9.45 am and from there, he was to travel by road to Chamundeshwari Temple atop Chamundi Hill.

But the Home Minister's visit was delayed by over an hour and as a result, the Monday morning peak hour traffic was severely affected. The traffic jams cleared only after 12.30 pm after Amit Shah flew to Gundlupet.

In their enthusiasm to follow protocol, the Police had barricaded Nanjangud Road at 9.30 am and had diverted the traffic. As a result, Airport Road, Nanjangud Road, Bannur Road, APMC Road and surrounding areas were clogged with vehicles.

As traffic was diverted to nearby roads, the massive traffic jams spilt over to other roads as well like the Gun House Road, Hardinge Circle, and SP Office Road and areas like Jyothinagar, the Jockey Quarters area and Gayatripuram too witnessed bumper-to-bumper traffic. To make matters worse, the City Police Commissioner's Office Road has been shut for pipeline work. Even after the Home Minister's cavalcade left, the road was closed for over 10 minutes as no vehicle could follow the convoy.

The residents and commuters of the city have to face more such traffic snarls in the coming days as more and more VVIPs are set to arrive in Mysuru to woo voters. Reports said that Congress leader Priyanka Gandhi Vadra will tour parts of Mysuru and Chamarajanagar districts and campaign for party candidates tomorrow (Apr 25).

Former PM H.D. Devegowda too will arrive in Mysuru tomorrow (Apr 25) to campaign for JD(S) candidates. In addition, Prime Minister Narendra Modi will hold a week-long campaign tour of Karnataka starting Apr. 28. The PM's last-minute push to revive the party's prospects will comprise a spate of rallies and road shows.

Mysuru city Traffic ACP Parashuramappa told *Star of Mysore*, "We have deployed sufficient staff to ensure free flow of traffic for all pre-scheduled VIP movements and restrictions due to Special Protection Group (SPG) protectees movement. Sometimes it will be difficult for us to ensure smooth traffic flow during peak hours. But we will try our best to minimise public inconvenience."

Amit Shah holds Mega Road Show in Gundlupet

He warns Congress against appeasement politics

Gundlupet, Apr. 24 (SS&DM)- Union Home Minister Amit Shah arrived at Gundlupet from Mysuru by a helicopter at about 12.50 pm this afternoon for poll campaign.

After landing in the town, Shah held a mega road show which started from Madahalli Circle and culminated at private bus stand, covering a distance of one-and-half kilometres.

Thousands of people had lined up along the main thoroughfares of the town where the road show was held. Shah, who was enthused by the massive crowd, waved at the people and greeted them. He was accompanied by Gundlupet BJP candidate C.S. Niranjankumar, Mysuru-Kodagu MP Pratap Simha and a host of other local leaders.

Addressing massive crowds all along the road show, Shah exuded confidence that the BJP would win all the four Assembly segments of Chamarajanagar district.

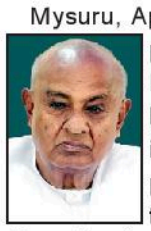
Asserting that the BJP would come to power on its own with a full majority this time, Shah said that it is the BJP which had provided additional reservation to Lingayats and Vokkaligas by removing the 4 percent quota for Muslims which was unconstitutional in nature.

Referring to KPCC President D.K. Shivakumar's promise that the Congress will restore the 4 percent reservation to Muslims if voted to power, Shah wanted to know which category would lose reservation if the 4 percent reservation was restored to Muslims.

Maintaining that Lingayats and Vokkaligas would stand to lose reservation hike under the Congress, he warned the Congress against appeasement politics.

He further said that the politics of Modi revolved around only development and prosperity, while the Congress harped on divisive politics aimed at minorities appeasement.

Former PM H.D. Deve Gowda to campaign tomorrow



Deve Gowda

Mysuru, Apr. 24- JD(S) supremo and former Prime Minister H.D. Deve Gowda is also joining the poll campaign in the Mysuru district tomorrow (Apr. 25).

Deve Gowda will be campaigning for the JD(S) candidate K. Mahadev in Periyapatna and for the party candidate S.R. Mahesh in Saligrama, Mirle and Hosur, all of which come under the K.R. Nagar constituency. It is reported that he campaigned for party candidates in the Tumakuru district on Apr. 24.

Meanwhile, the Congress is planning to bring in actress and former Mandya MP Ramya as a star campaigner for the party. This is in response to BJP's campaigner, actress Sumalatha Ambarish, who is also the Mandya MP. Ramya is expected to address Congress poll rallies in Mandya district on May 1 and 2.

Sreenivasa Prasad treated in a disrespectful way by BJP

Former MUDA Chairman C. Basavegowda joins Congress camp 'unconditionally'

Mysuru, Apr. 24 (MTY&BCT)- Former Chairman of Mysuru Urban Development Authority C. Basavegowda has alleged that a senior leader like Chamarajanagar MP V. Sreenivasa Prasad is being treated shabbily by the BJP and his words have no value in that party.

Addressing reporters at Congress Bhavan yesterday, Basavegowda alleged that the BJP has scant respect for Sreenivasa Prasad. Notably, Basavegowda, a staunch supporter of Sreenivasa Prasad has joined Congress and is supporting former CM Siddharamaiah in Varuna Constituency. He was felicitated by the district and city party unit leaders for joining the Congress.

"Sreenivasa Prasad had turned down the offer to become a Governor after he joined the BJP leaving the Congress. He contested the last Lok Sabha elections since his supporters wanted him to retire from politics after an electoral victory and

MUDA Former Chairman C. Basavegowda (centre) addressing a press meet at Congress Bhavan here yesterday as others look on.

even Prasad wanted to do so," he said.

"In a changed political scenario in those days, I had to join BJP but now I am back in Congress now, my parent party. Sreenivasa Prasad tried his best to give me a party position in the BJP but the BJP had scant respect for him. The BJP must remember that Sreenivasa Prasad won the Lok Sabha elections from Chamarajanagar against the Congress as he had a good rapport with the people of Chamarajanagar who respected his stature. Otherwise, winning against the Congress there was difficult," he said.

"Though Sreenivasa Prasad tried his best to get some party posts, the BJP did not consider his request. He wanted to get me the post of Chairman of a Board or Corporation and I met the Chief Minister twice in this connection. I also tried to contest the MLC elections as a BJP candidate but MP Pratap Simha behaved as though I am incapable of fighting elections," Basavegowda lashed out.

"However, the BJP made Raghu Kautilya the Chairman of Mysuru Paints and Varnish Limited and gave him a Cabinet Minister's rank though he lost the MLC elections. If this is not dishonour, then what is? I stopped asking for any posts after that. Even Sreenivasa Prasad is miffed at the BJP for side-lining me," he said.

Training his guns on Pratap Simha, Basavegowda said, "The MP ignored me after considering me as a strength in Varuna when V. Somanna was fielded against Siddharamaiah. Simha even advised me against meeting Siddharamaiah, who came to my house seeking support," he charged.

On the present equation between him and Sreenivasa Prasad, Basavegowda said that he is still a friend of Sreenivasa Prasad. "When I expressed my wish to join the Congress, he suggested that I decide according to my conscience and future. My friendship with him will continue," he said.

Basavegowda claimed that he has joined Congress unconditionally. "I joined the Congress because of my friendship and on the assurance of Siddharamaiah. In the past too, I went with Sreenivasa Prasad and joined the BJP unconditionally and then too, friendship was the reason," he said. District Congress President Dr. B.J. Vijay Kumar, City Congress President R. Murthy and others were present.

'Dividing people in Varuna'

On the BJP's campaign strategy in Varuna, Basavegowda said that the BJP was trying to spread hatred and disturb harmony among the communities, raising caste issues.

"MP Pratap Simha has been tasked by the BJP to whip up passions and raise caste issues in Varuna. It is Pratap Simha who is spreading lies about Siddharamaiah that he is against Lingayats," he said.

"It was Siddharamaiah who supported leaders belonging to all communities to grow politically and leaders belonging to all communities are with Siddharamaiah. Pratap Simha is trying to divide the equation and spread hatred in order to ensure the victory of BJP candidate Somanna in Varuna," he added.

Siddharamaiah's 5-year rule won Congress only 1 out of 28 LS seats

Chamarajanagar MP V. Sreenivasa Prasad ridicules Siddu's claims of good governance

Mysuru, Apr. 24 (MK&BCT)- Chamarajanagar MP V. Sreenivasa Prasad has ridiculed Congress leader Siddharamaiah for losing 27 out of 28 Lok Sabha seats in Karnataka when he was in power. "He has always claimed that he has given a pro-people administration for five years but could win only one Lok Sabha seat. This is the level of his administration," the MP charged.

Speaking to reporters at his Jayalakshmipuram home last evening, the MP lashed out at the Congress leader and said, "During the last Lok Sabha elections, Siddharamaiah accompanied by Rahul Gandhi and toured the State to drum up support. Wherever he went, he claimed that he provided good governance. But people rejected him and he was able to win only one seat. This is his reputation," Sreenivasa Prasad said.

On the former CM's contest from Varuna against BJP's V. Somanna, Sreenivasa Prasad said that it has been wrongly projected in social media that Somanna has been a target of people from Varuna. "Somanna

MP V. Sreenivasa Prasad addressing media at his house in Jayalakshmipuram last evening as BJP leader S. Jaya Prakash (JP) looks on.

is a new candidate and naturally people will question him. It is impossible to please all in a democratic system. Even if the PM comes, people will question him. If Somanna is an outsider, then who was Siddharamaiah to Badami Constituency? Also, was Kolar Siddharamaiah's native, he questioned,

On Nanjangud Constituency where his son-in-law B. Harshavardhan is pitted against Darshan Dhruvanarayan, son of former MP and KPCC Working President R. Dhruvanarayan who passed away recently, Prasad said that Harshavardhan has taken up developments works in Nanjangud and sympathy factor cannot neutralise it.

"Sympathy factor will not work all the time. Politicians cutting across party lines were deeply moved by the death of Dhruvanarayan and his wife and even I had called on Darshan and sympathised with the family. I feel that the development works undertaken in Nanjangud in the last five years and the Rs. 500 crore grants to take up infrastructure works in the Constituency will not be negated by the voters due to sympathy factor," he added.

WORD OF THE DAY

Undergird

Pronunciation: un-der-GHERD.
Meaning: Undergird means "to strengthen or support (something) from below" or "to form the basis or foundation of."
Origin: When undergird was a new word in the 16th century, it was ships that were undergirded — that is, made secure below — and the undergirding was done by passing a rope or chain underneath. That literal sense has long since fallen out of use, but in the 19th century undergird picked up the figurative "strengthen" or "support" meaning that we still use. Centuries before anything was undergirded, however, people and things could be girded — that is, encircled or bound with a flexible band, such as a belt. Girding today is more often about preparing oneself to fight or to do something difficult, as in "girding themselves for an ideological battle." About as old as gird is the word's close relation, girdle, which originally referred to an article of clothing that circles the body usually at the waist; the girdles of today address the same anatomical territory but with the squeezy aim of making the waist look thinner. Gird also gives us girder, a noun referring to a horizontal piece supporting a structure.
Example: "Genuine connection has always been scarce, but during height of the pandemic in 2020 it became even more so. [Jake] Johnson wrote the screenplay for Self Reliance during this scary, unpredictable and lonely period. The lessons from isolation undergird the film's emotional core."

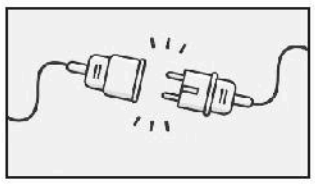
THE ODD WORD

Ulotrichous

Having woolly hair.

PHRASE OF THE DAY

Pull the plug



Meaning: When you use the phrase 'Pull The Plug' you are referring to the act of putting a stop to someone's plans or activities. This term is also used in a literal fashion to describe the intentional act of turning off a hospital life-support system.
Origin: No one knows for certain when the term 'pull the plug' originated, however its current meaning came into being after the invention of electricity. Household appliances with plugs weren't common until the early 1900s, with the first practical vacuum cleaner arriving around 1907 and the first toaster in 1909.
Example: "Jeff wants to keep paying for cable, but Mary's sick of paying the bill every month. She's planning to pull the plug on the cable company and watch TV online instead."

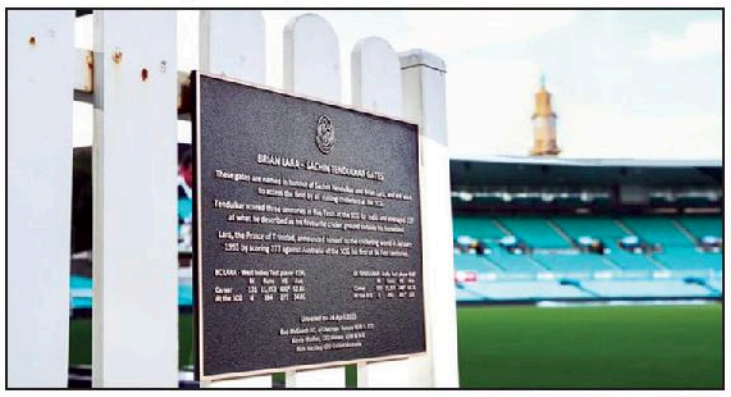
Tendulkar, Lara honoured with gates at Sydney Cricket Ground



Sachin Tendulkar and Brian Lara joined Donald Bradman today in having a set of gates named in their honour at the Sydney Cricket Ground, with all visiting players passing through them to access the field of play. The gates were unveiled to mark Indian great Tendulkar's 50th birthday and 30 years since West Indies legend Lara's 277 at the stadium — the first of his 34 Test centuries. The Australian cricket team enters the field via the Don Bradman Gates, with the visitors now coming through the Lara-Tendulkar Gates.
